

**MAR Y MIEL**

*Haute Living*

# Heaven on earth.

Welcome to the concept that transforms the Caribbean into your stage. Here you will be part of a unique environment that stands out for its outstanding design and unparalleled elegance. Live in an environment that prides itself on its natural beauty, all within a space that gives you fullness and freedom.

## 02. DISEÑO ARQUITECTÓNICO

# Architectural Experience

**Agustín Landa** has an array of projects characterized by masterful architecture and design, that soon became iconic landmarks in their cities. Along with **Mónica Suberville's** natural approach towards living spaces, they offer an authentic perspective of architecture for a modern lifestyle.

Entrega Verano 2023

# Choose your space.

Mar y Miel consists of 24 units distributed in 3, 4 and 5 bedroom typologies. The main challenge of this project was to seek open spaces, synergy with nature and spacious social areas; to create a feeling of living outdoors.

Type	Units	Bedrooms
CASA RUNA	2	3
CASA MITO	1	5
