

A modern multi-story apartment building with balconies and lush greenery. The building features a grid-like facade with dark grey concrete and large windows. Each balcony is enclosed with a dark metal railing and has several potted plants, including ferns and other green foliage. The lighting is soft, suggesting a late afternoon or early morning setting.

The background features a repeating pattern of overlapping arches. The left side of the image is dominated by a dark brown pattern, while the right side is dominated by a bright orange pattern. A vertical line separates the two colors. The arches are formed by thin lines and create a sense of depth and rhythm.
