## *Location*

- This housing complex is located in the town of Kikteil, ten minutes from the city of Mérida to the north and a few meters from the Jardines de la Rejoyada residential project. Inscribed in a tropical zone of temperate climate, this peaceful town is in a constant process of development and growth, continually reaffirming its identity. It draws on activities such as tourism, gastronomy and small-scale commerce. And if this were not enough, the beauty of its landscapes is simply wonderful.
