

# Blanca

## The importance of building a heritage.

- Blanca is the ideal option for new generations who are looking for a space that provides them with the peace, comfort and security necessary to write a new episode in their lives.

Located in the town of Kikteil, this area due to the high growth rate it has shown in the last 3 years has become as we know it today in the golden triangle of real estate developments. It thrives on activities such as tourism, gastronomy and small-scale commerce.

- Located ten minutes from the city of Mérida to the north, and only 2 minutes away from its sister development Jardines de Rejoyada.
