## About El sueño

With high vaulted ceilings, 2 kitchens, bedrooms with their own full bathrooms, and plenty of space, this house is perfect for big families that want to share in the open living space concept or have their own alone time enjoying the peaceful living in Ocotol beach.

The architecture of El Sueño takes advantage of the natural beauty that only Ocotol has to offer, plus it has that baroque vibe that invites luxurious living of the tropics

## About El sueño

Independent from El Sueño, El Sueño is captivating. With a much more modern feel to the house, El Sueño's first floor has a laundry room and 2 spacious bedrooms.

As you go up the wooden stairs, you will walk into a light-filled living space with 2 different living rooms, 1 extra room, a balcony, and its own private pool.
