For a better experience

# THIS IS INFINITI MÉRIDA

INFINITI MERIDA is the best residential project in Merida thanks to its amazing blend of superb architecture, unparalleled common areas, lush gardens and other outdoor spaces, such as its lake, not found anywhere else in the city.

INFINITI MERIDA is also unique in the range of indoor and outdoor activities that it offers for all family members and all ages, in a safe, private, ecologically sustainable environment in the north of the city where people can live peacefully and in style, with fast, easy access to the beach club near San Benito.

*infinitely memorable*
