About Casa Centrica

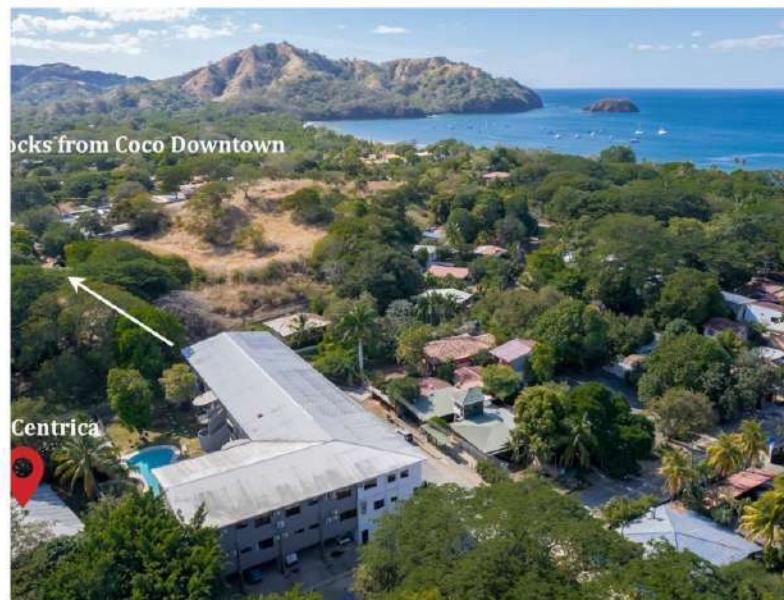

Casa Centrica is your opportunity to own a home in Playas del Coco where you will love to walk out your door and find lots of amenities, downtown Coco and the beach. The large property brings a lot of possibilities, this house is designed as a beach house, it offers vaulted wood ceilings and a spacious front covered terrace to enjoy the ocean breeze. Just within the neighborhood, there are Garden Bar, Guayoyo coffee shop, Pueblito Norte and Sur and Las Palmas community. Downtown Playas del Coco is about 7 minutes walking distance (600 meters), and at only 5 min walk you will be able to feel Cocos Beach warm sand.

Casa Centrica

Few blocks from Main Town and Coco Beach

About Casa Centrica Property

It includes a fully enclosed back terrace, where you will find the laundry room and plenty of extra storage room. The bedrooms are located along a hallway, starting with the spacious full bathroom. All bedrooms are furnished with wooden night stands, beds, shelves and built-in closets in two of the bedrooms. It includes A/C units in every room, and a ceiling fan in the living room.

Casa Centrica has plenty of frontage to build a pool, a ranchito, carport or even another house/apartment. Lots of potential to develop this charming house.
