

LA DIOSA
VILLAGE

La Diosa, Village, is a community designed to offer an authentic lifestyle composed mainly of nature. This exclusive gated community is unlike any other in Tulum. Here, you will find stunning green areas, marvelous views of the jungle, and state of the art amenities.

The large green areas are essential to La Diosa Village, since it is vital to transmitting a strong ecological and spiritual message. Respect for nature and the environment is crucial, so 60% of the jungle is preserved as land.

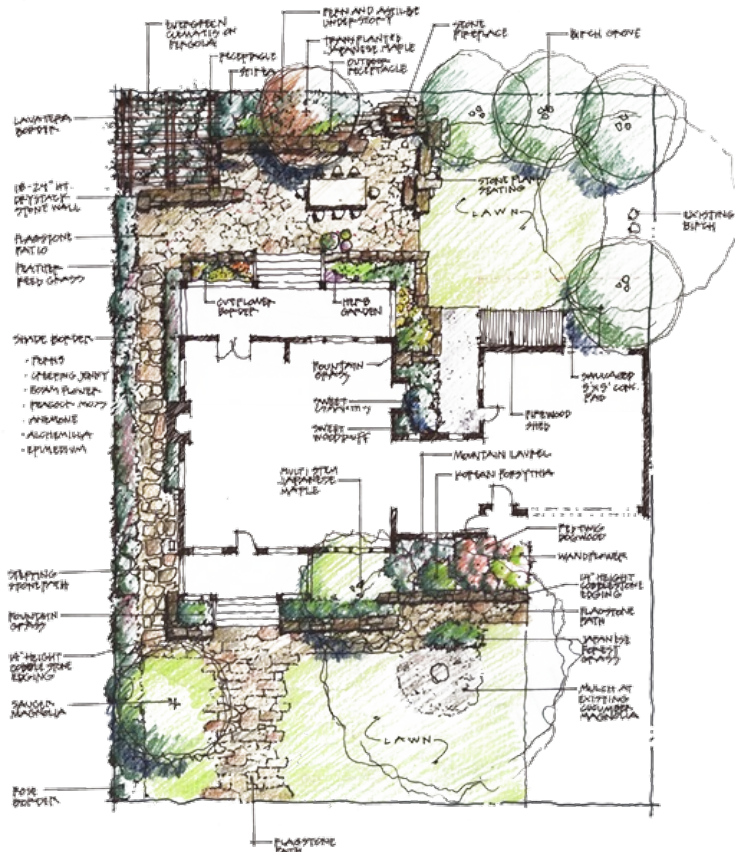

La Diosa Village is located in front of the beautiful Caleta Solimán, 1 km from the beach, 1 hour from Cancun International Airport and 20 minutes from Playa del Carmen.

Our location is excellent being in a few minutes from both Tulum and Playa del Carmen.

This magnificent development was conceived under years of real estate experience collaborating with the best architects.

Over 120,000 square feet of Green area with amenities designed to connect with Nature.

We are the best team creating duly analyzed and personalized projects, we obtain results with optimal, comfortable spaces, suitable for a unique environmental awareness.

Each project within La Diosa offers a one of a kind design, with high-quality material, comfortable spaces, and excellent amenities.

The amenities are an important benefit when purchasing a property, they increase the value of the property and generate a better quality of life.
