

**CASA ELITE
SENIOR  LIVING**

Living in Cabo Norte

CABO NORTE vision proposes a true sense of community and an innovative vision of sustainable development by having more than 5 km of green routes, 11 hectares of parks for multiple activities and 10 hectares of spectacular lakes.

In all the properties that make up these projects, in addition of having impressive views and being immersed in natural areas, you will be able to enjoy first class sports, educational, commercial and entertainment amenities.

The confidence of knowing that you are in the best hands.

A new concept

Casa Elite Cabo Norte is the first nursing home of its kind in the Mexican southeast.

Casa Elite Cabo Norte is the best decision to live fully. A place where older adults, both dependent and independent, will receive specialized care according to their needs and the necessary services to have a comprehensive life.

Our *Senior Living* concept, the first in the southeast, is made up of **104 personalized suites** and offers amenities, 24/7 health services, recreation areas, rest, social activities and physiotherapy, among other benefits, always thinking about the safety of your loved ones and in the joy that comes from living in an enchanting environment.

Our residents will live surrounded by beauty and serenity, in a safe and comfortable environment, with the accompaniment of professionals whose passion is to take care of who you love.
