

She knew she was free and recognized herself in the impetuosity of the sea, without cruelty, it was natural for her to feel unstoppable. Ever since she was a child, she was carefree.

She embodied the sweetness of a bee on a journey, transforming from within, and radiating it from both inside and out, Mar de Miel.

Mar de Miel, a young and innovative company, arises from the vision of Mia Desarrollos, but with great experience in its partners, in collaboration with the distinctive talent of Architectural Design and Individuality, with the solid track record of Roken Constructora as well as the mentoring and marketing of Concepto Master Broker.

These companies, with extensive experience in their respective fields, were selected to form an unbeatable work team and bring this exceptional project to life.

The practically virgin beaches of San Crisanto display an amazing serenity for those who visit them.

Crystal-clear waters, stretches of pristine white sand, majestic coconut palms and meandering mangroves intertwine in a perfect setting for days of complete relaxation.
