

CASA CORAL

\$495,500

Playas del Coco, Guanacaste, CR

Casa Coral is a very charming and delightful modern 4-bedroom / 2-bathroom (2,660 sqft) home that was built less than two years ago. Located in Playas del Coco walking distance to downtown (0.5 miles) and the beach. Spacious living room, dining room and kitchen that offer high ceilings with a lot of natural light.

Experience the cozy ambience created by the well-designed layout and thoughtful details. This home is a perfect haven for comfortable and contemporary living. The property has a two car detached carport, and large storage room with plenty of room. The beautiful concrete fence all around the property offers security and privacy.
