An underwater photograph of a coral reef. The water is a deep, clear blue. In the foreground, there is a sandy bottom with scattered coral rubble and small pieces of coral. The background shows a more structured coral reef with various types of coral. The lighting is natural, coming from above, creating a serene and slightly dim atmosphere.

An aerial photograph of a tropical coastline. The foreground is dominated by a dense forest of palm trees. The middle ground shows a sandy beach with several large, rounded green bushes. The background features a rocky shoreline with a light-colored, possibly sandy or silty, area. A thin white vertical line is positioned near the top center of the image.
