THE KITCHEN

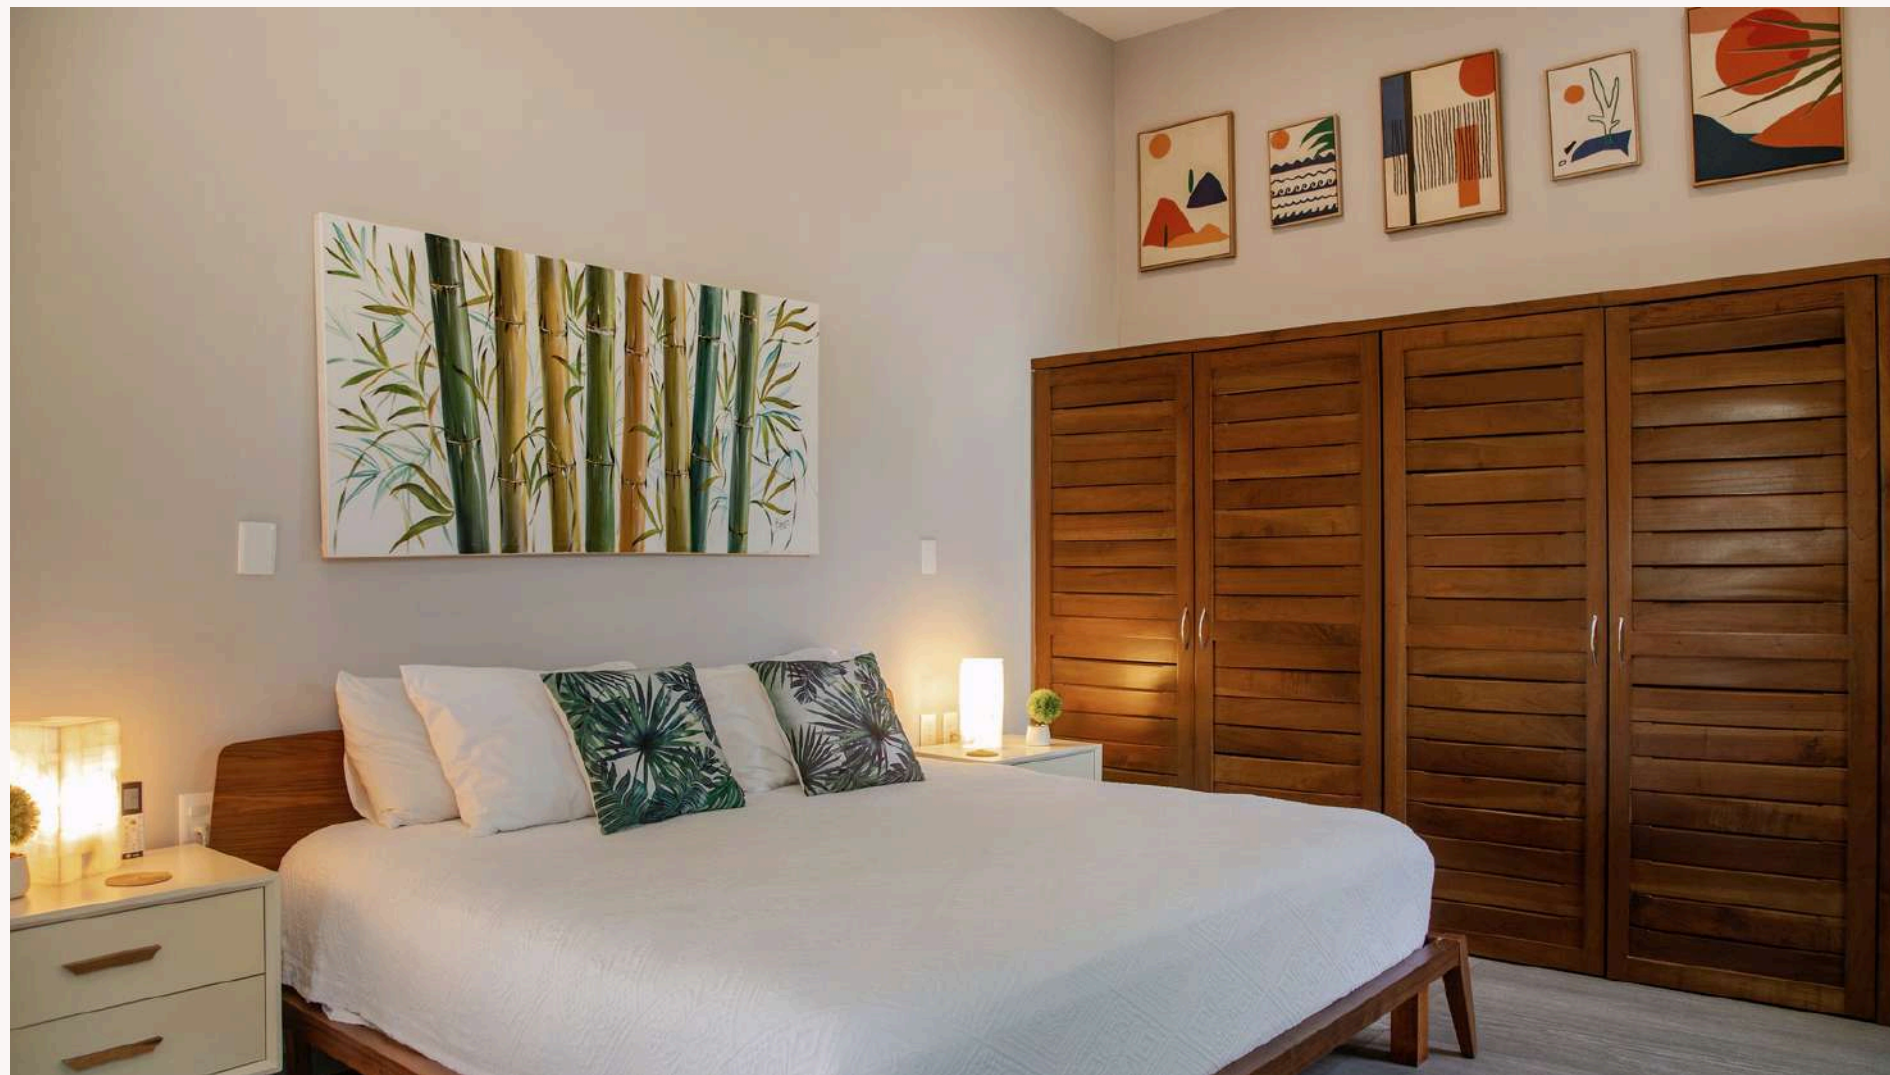

The kitchen which is the heart of the open concept main floor of Casa Lulu is a true Chef's kitchen. It is a fully functional space that is equipped with everything required to make culinary magic. The intention was for guests to have the ability to create shared experiences while preparing beautiful meals together at home or to invite one of our exclusive chefs to pamper everyone with a next level dining experience.

THE BEDROOMS

Each respective bedroom of the villa was uniquely designed to have its own distinct personality. The Master bedroom, in particular is a beautiful zen and spa-like space with modern organic finishes and flourishes of color, opening up to the incredible stand alone bathtub with a delicately designed chandelier of sea shells hanging above. The 3 remaining bedrooms, all outfitted with ultra comfortable king beds, are all extremely spacious with a unique look and feel and plenty of storage. Every bathroom in the villa is spacious and filled with natural light and textured finishes.

THE TERRACE

While out on the terrace you are in a fully enclosed and private space surrounded by tall palm trees and stunning mature gardens surrounding the pool and lounge spaces. You can also take a stroll down the undulating pathway at the side of the villa that feels like a walk through the jungle.

The terrace is also equipped with an outdoor shower and BBQ to complete the whole package.
