GARDENIA
PUNTA CANA

Amenities

Our spaces complement your rest and accompany you in every moment you decide to enjoy.

Enjoy the sun and cool off in our beautiful pools surrounded by gardens and the breeze that caresses and enchants. Located right in the center of the complex with a curved design that makes this space ideal to live unforgettable moments.

We know that your little ones are very important to you, that is why we designed this ideal space for your pets.

Do you work or study from home? We design unique spaces for digital nomads who work while vacationing.

If you are one of those who train every day or sporadically, here you will have a gym equipped to keep your body in shape.

GARDEN INNOVATION

*LIVE WHERE YOU
VACATION*

A destiny full of life awaits you

Garden City Punta Cana is a residential project, made up of a complex of apartments, a commercial area and an area for recreational use. It has access through a central boulevard that allows you to explore the entire project with a wide view of the project's green area. This will be a large lung, developed in a total area of 2,266 m², which will allow excellent views from the apartments to enjoy the natural landscape provided.

MALL

A lot with a total area of 4,447 m² has been allocated for the commercial area. Located at the front of the project, arranged on one side to allow a view of the green lung of the project. Likewise, the administrative area is located in this part, intended for the management of the activities that correspond to the project and in turn acquisition of some property of the project.

Ground
