MANANTIAL 104

JARDINES DEL PEDREGAL

An architectural rendering of a modern, two-story house with a large, open-plan courtyard. The house features large glass windows and a dark, horizontal-slatted facade. The courtyard is paved and contains a tree on the left, a large planter with tropical plants on the right, and a set of wide steps leading to a second-level terrace. The scene is set in a bright, sunny environment with long shadows cast across the courtyard.
