What the Residential Includes

Beautiful lot 5 MINUTES FROM THE CENTER of San Miguel de Allende, Gto. within the equestrian & residential development Villas de Rancho la Loma, in an environment of peace, tranquility, security, harmony and good taste for a select group of people, security, harmony and good taste for a select group of people.

It consists of only 45 residential lots within 30 hectares, of which 60% is preserved as green area. The design of the residences focuses on maintaining an urban compatibility with delicate country touches in its architecture, construction elements such as stone, wood, wrought iron and tile in gable roofs, the best views towards the depth of the green areas of the development.

Build your dream home on a lot in the golden corridor and combine the simplicity of country living with the elegance and sophistication of equestrian and paddle tennis.

This lot is located in a private gated community where there are only 3 lots with a view of 2 hectares of green areas.

WITH THE PURCHASE OF THE LAND WE ELABORATE AND GIVE YOU YOUR ARCHITECTURAL PROJECT AS A GIFT.
