## Living room

**This condo truly has it all. Each bedroom is equipped with built-in closets and generous storage space, featuring large sliding mirror doors that create an even more open and airy feel. The bathroom is thoughtfully designed with dual vanities and beautifully rounded mirrors that bring a sense of symmetry to the space. The shower is accented with stunning Talavera-style tile and protected by an extended glass panel to prevent water leaks. Plus, there's additional storage space conveniently located beneath the sinks.**

## Master Bedroom

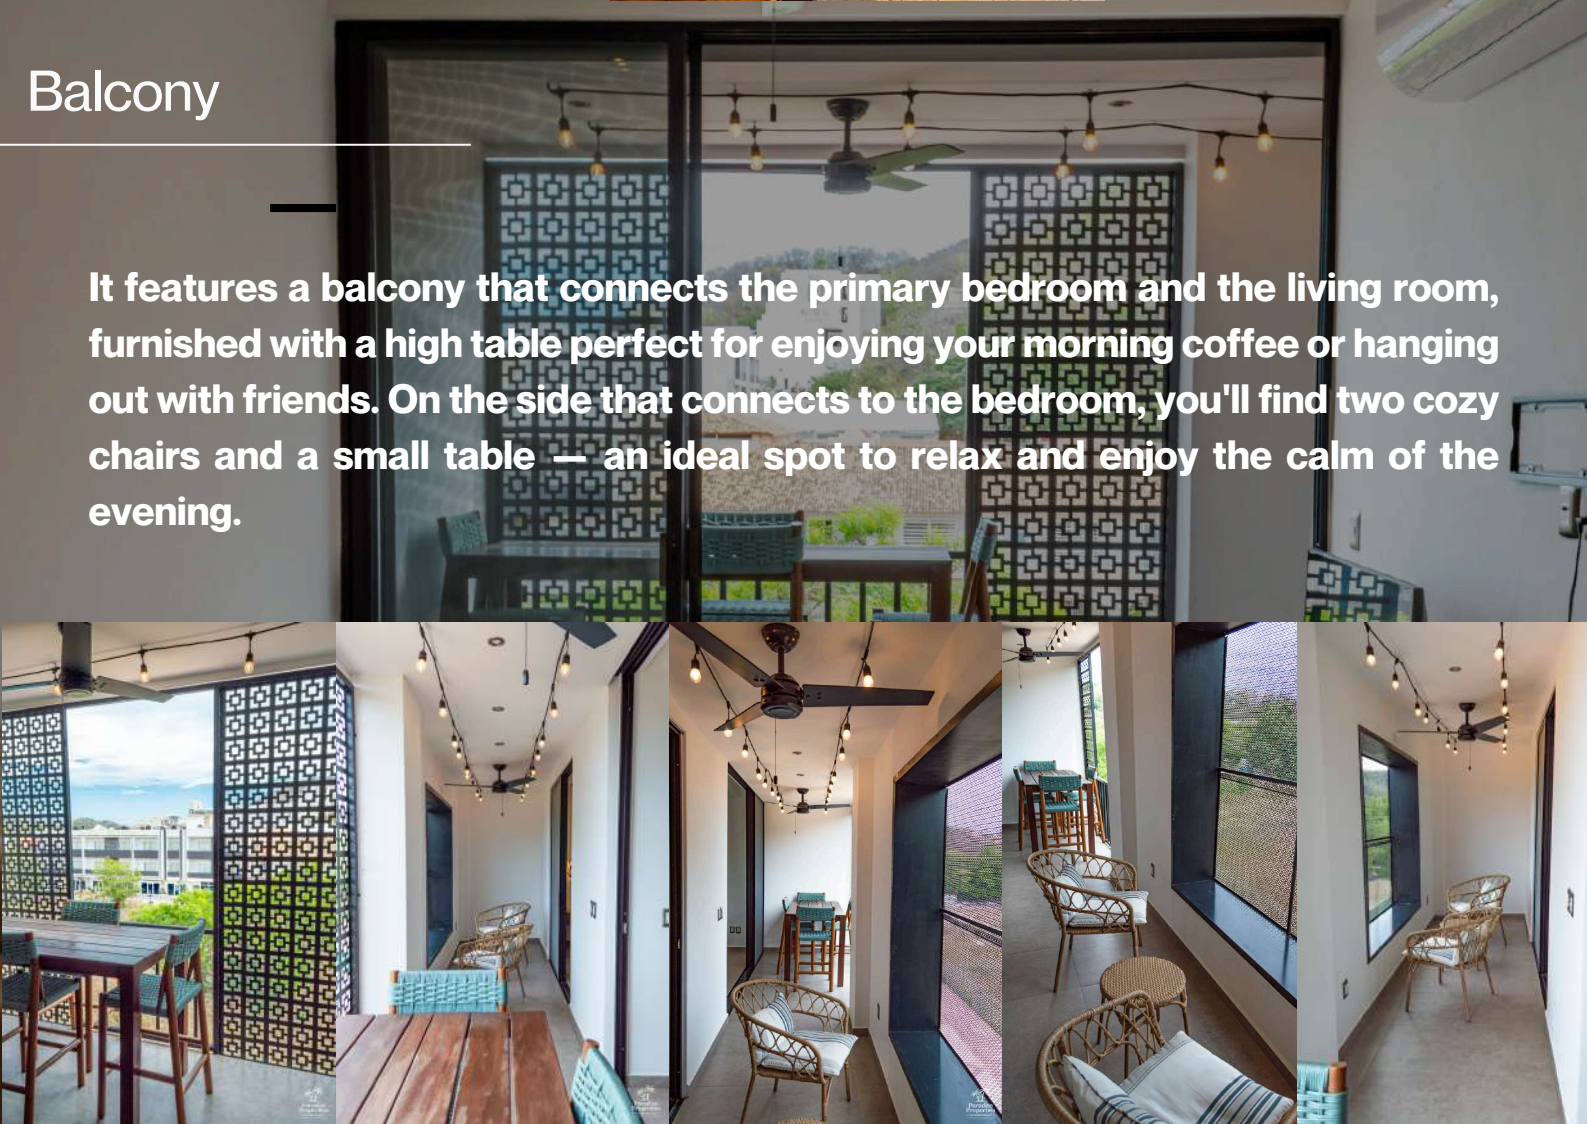

2nd bedroom

Balcony

It features a balcony that connects the primary bedroom and the living room, furnished with a high table perfect for enjoying your morning coffee or hanging out with friends. On the side that connects to the bedroom, you'll find two cozy chairs and a small table — an ideal spot to relax and enjoy the calm of the evening.
