THE VILLAGE

Origina is the real estate developer of avant-garde concepts, where we create and design spaces that visualize all the needs, ambitions and new life habits to lead our clients to an experience of superior comfort.

We are mainly characterized by **hospitable innovation, services and attention to detail.** Our goal is to evolve the quality of life and be the greatest contributors of added value qualities for those who invest in our ideas.

Who are we?

We focus on real estate developments with the support of one of the most important corporations in the country, **GRUPO SALINAS**.

We have 2 projects under development. 1 in the State of Mexico (Valle de Bravo) and 3 in Quintana Roo (Playa del Carmen), in areas with the highest surplus value due to their privileged locations.

Origina is characterized by having the best talent, which is why experts and renowned architects, interior designers, structuralists, landscapers, among others, participate in its development to provide the best life experience. We are committed to exceeding the expectations of our customers.

Corporate Central

Our offices are located in Santa Fe, Zentrum Tower, Floor 14, in the most important corporate corridor in Mexico City.

We have a top-level management team with extensive experience, which works to obtain results in the real estate development projects that ensure high profitability for partners and stakeholders.

The annual sales projection exceeds 4,000 million pesos, making us one of the main real estate developers nationwide.

Our development locations

- Mexico City
- State of México
- Quintana Roo
