“Nature is not a place to visit.
It is our home.”

— Gary Snyder

NATURE, LIFE, AND VALUE THAT TRANSCENDS

NUNAY is an exceptional residential development located on the Gastronomic Boulevard of Nuevo Nayarit, just 800 meters from the beach. A unique opportunity to invest in one of Mexico's fastest-growing tourist destinations.

A Historic Moment in Bahía de Banderas

If you are considering investing, buying, or selling property in this region, it is essential to understand the extraordinary transformation taking place. Bahía de Banderas is undergoing unprecedented growth, redefining the Pacific coast real estate market.

NUEVO NAYARIT

THE RISE OF RIVIERA NAYARIT

Conectivity

Puerto Vallarta International Airport surpassed 6 million passengers in 2024, consolidating its position as one of Mexico's fastest-growing airports. New routes from the United States and Canada continue to strengthen international tourism month after month.

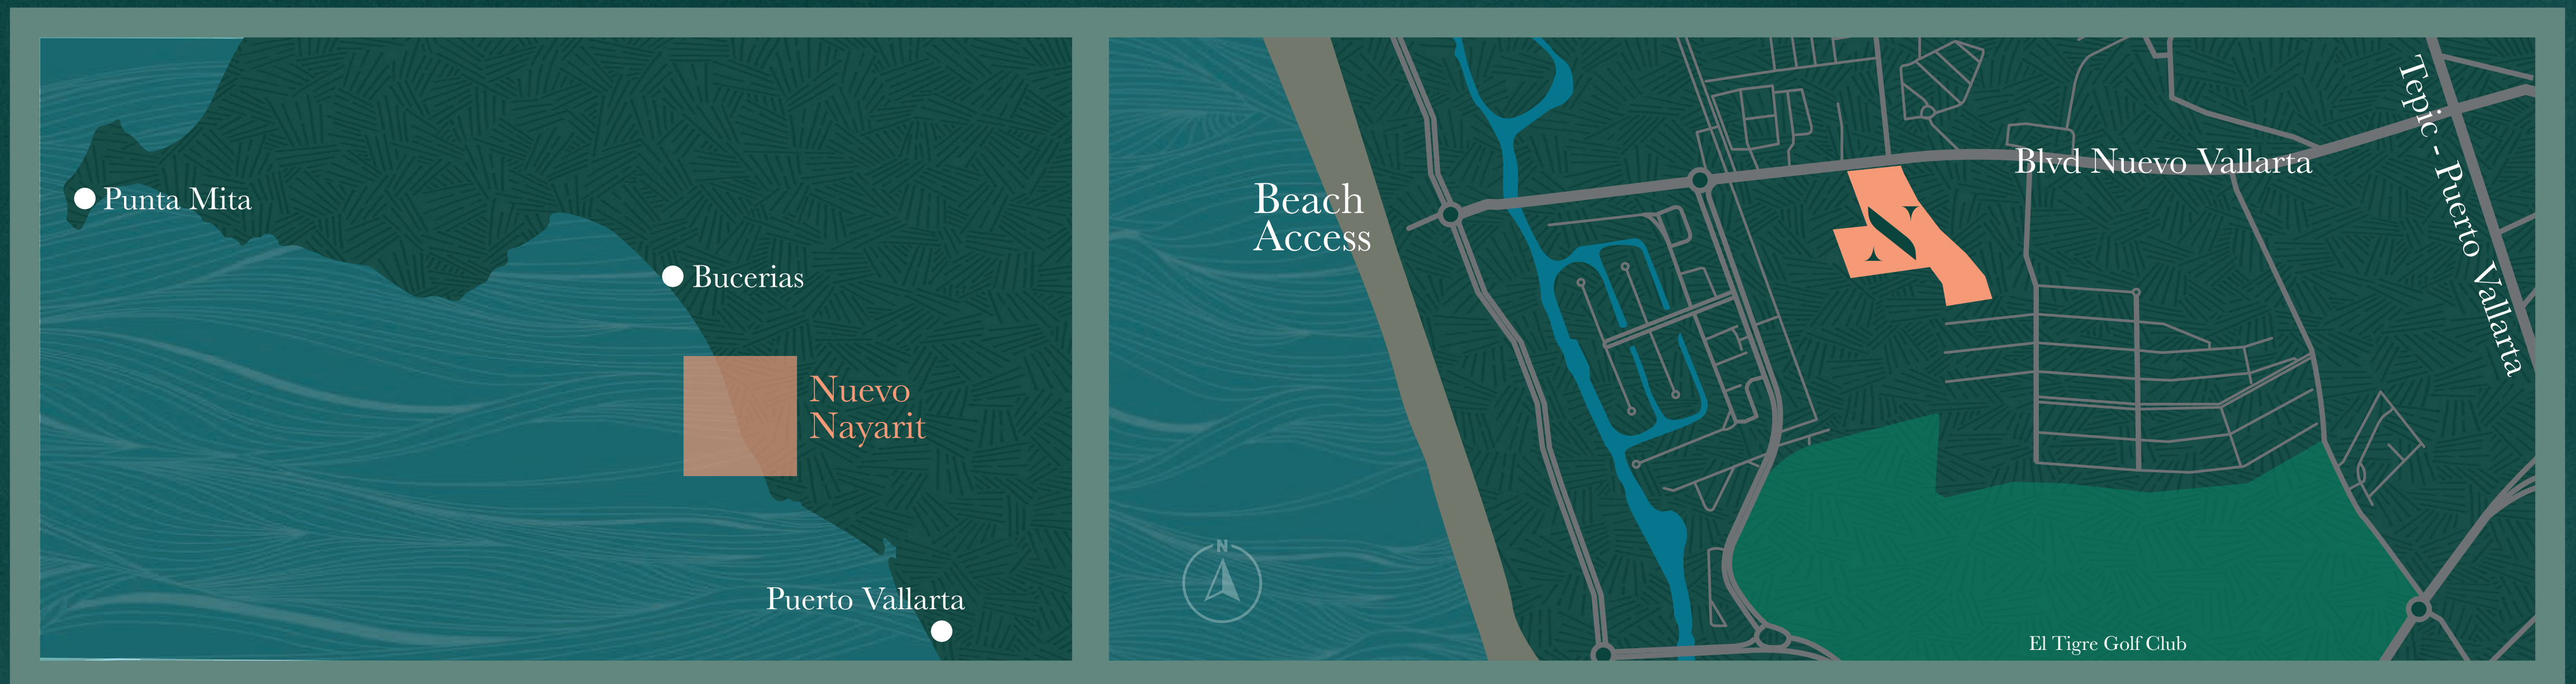

Terminal 2, now over 50% completed, will double capacity and connectivity, opening the door to an even greater tourist flow in the coming years.

The new Guadalajara–Puerto Vallarta highway is already in operation, reducing travel time to under three hours and bringing Mexico's second-largest city closer to the coast.

Greater connectivity means more tourism, more investment, and more opportunities for owners and investors seeking sustained returns.

LOCATED IN THE HEART OF NUEVO NAYARIT

Situated on the Gastronomic Boulevard of Nuevo Nayarit, Nunay places you at the epicenter of the area's highest growth. Just 800 meters from the beach, you enjoy proximity to the ocean without sacrificing urban comfort.

BACKED BY GRUPO BQZ

We are a business group with a presence in the real estate sector since 1986, with proven experience developing residential, tourism, and commercial projects across Mexico. We also have extensive experience in public works, including street and highway construction and renovation.

Our focus is on developing real estate projects that combine functionality, quality, and an integrated vision of growth. We stand out for our high construction standards, strong supplier relationships, and commitment to sustainable development.

Guided by a mission rooted in responsibility, sustainability, and long-term vision, Nunay reflects the same philosophy: honoring the land's potential, balancing nature and architecture, and delivering value that lasts.

Choosing NUNAY means choosing trust, intelligent design, and a lifestyle built to transcend.
