# PARAISO HERMOSO LOT

Playa Hermosa is a beach town that offers a friendly and private atmosphere. With light gray sand and clear waters, this wide cove stretches about 1.2 miles (2 km) and features plenty of palm trees for shade, along with multiple beachfront restaurants—each offering its own unique style of cuisine and entertainment. Additional restaurants, mini-markets, a pharmacy, and a veterinary clinic are located along the main road of Playa Hermosa.

Paraiso Hermoso Lot is a beautiful, flat 691 m<sup>2</sup> parcel, part of an exclusive group of only six lots that share a 40-meter pebble road. This setting provides a sense of privacy and allows for greater control over development, where owners can design and build with the nature.

Enjoy easy beach access, just a 500-meter walk down the street leads you to local bars and restaurants, as well as access to the north side of the bay.

Other nearby beach towns, including Playas del Coco—with its major supermarkets, restaurants, banks, boutiques, pharmacies, and medical center, and Playa Panamá are just minutes away. For added convenience, Guanacaste International Airport is only a 30-minute drive.

Invest in Playa Hermosa and build your dream vacation or retirement home.
