\$ 39 000

This lot has a great location within the Nacazcol development. Bordered by a common area on one side and a lake behind, so you will only ever have one neighbor! This area of Nacazcol is up and coming with high quality houses as well as a newer pool complex and common areas. The lot measures 325 square meters (3500 sqft) and is very level so you can use all the area to its full potential.
