VISTA MARINA LOTE A

Prime Development Opportunity in Vista Marina – Monte Seco, Playas del Coco

A rare opportunity to own a spacious lot in the desirable Vista Marina area of Monte Seco, one of the fastest-growing residential areas above Playas del Coco.

This generously sized lot measures approximately 1,822 m², offering ample space to build your dream home, vacation retreat, or investment property. Located on a paved road and not too high up the mountain, the lot provides easy access while still enjoying the peaceful hillside setting and refreshing breezes.

The Vista Marina neighborhood is experiencing exciting growth, with new developments, beautiful homes, and modern condo complexes being built nearby. Despite the growth, the neighborhood remains a quiet and desirable residential area, making it ideal for both full-time living and investment.

Lots in Playas del Coco are becoming increasingly difficult to find, especially in established areas like Monte Seco, and this property is very well priced for the area.

Water availability is not an issue — the water letter was previously obtained and is generally easy to secure again, which helps simplify the future building process.

The location is highly convenient: town is only a 5-minute drive and the beach is about 7 minutes away by car. You are also close to grocery stores, doctors, dentists, restaurants, and everyday services, while the Daniel Oduber Quirós International Airport is approximately 30 minutes away, making travel easy for homeowners and visitors alike. Also available: an additional lot next door if you're looking for bigger land.
