Welcome to Orquídea Loft at the Pura Vida Community, a loft-style condo located just minutes from Playa Ocotal and a short drive to Playas del Coco. A great opportunity for those looking for an entry-level condo in Costa Rica close to the beach, surrounded by nature and a relaxed coastal lifestyle.

With approximately 592 sq. ft. of interior space, this is one of the larger loft-style condo models you will find in this price range in the Playa Ocotal, Playa Hermosa, and Playas del Coco area. The double-height ceilings and open loft design create a bright and airy feel throughout the home.

The kitchen was thoughtfully designed to maximize the space and features white quartz countertops, hardwood cabinetry, dark-toned open shelving, and a cozy coffee bar area. The island also works as a dining table and offers additional storage.

On the main floor, you will find a full bathroom, flex space for a TV room, office, or guest area, plus a covered back patio with laundry area. Upstairs is the main bedroom loft with a half bathroom, natural light, and a private balcony overlooking the surrounding greenery.

Located close to one of the four community pools, the condo is only 1.2 km from Playa Ocotal, approximately a 15-minute walk to the beach. Playa Ocotal is known for its calm waters, snorkeling, fishing, and laid-back atmosphere. Enjoy mornings by the ocean, sunset walks, or a beachfront meal at Father Rooster after a day in the water.

Downtown Playas del Coco is only a 5 min. drive away, offering restaurants, cafés, supermarkets, gyms, and everyday conveniences nearby.

Low HOA fees of \$175 per month include four community pools, garden maintenance, and nighttime security.

Whether for full-time living, a Costa Rica getaway, or rental income potential, Orquídea Loft offers an easy, low-maintenance lifestyle close to the beach and the beautiful Papagayo area.
