Set within the lush hills of Playa Ocotal, this beautifully furnished four-bedroom residence offers privacy, generous living space, and refined finishes in one of the area's most peaceful gated communities at Azul Paraíso.

Measuring 232.72 m² (2,508 sf), this spacious single-level apartment has been designed for comfortable everyday living while still feeling very elegant and perfect for a luxury vacation retreat. The property is offered fully furnished and move-in ready, making it an easy option for a primary residence, second home, or investment property.

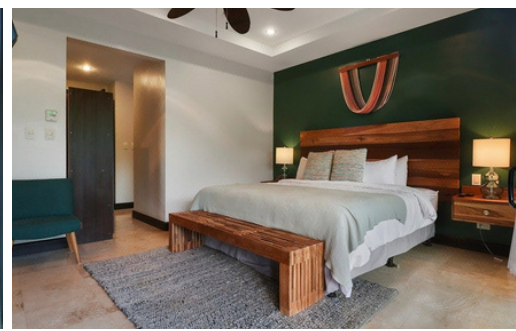

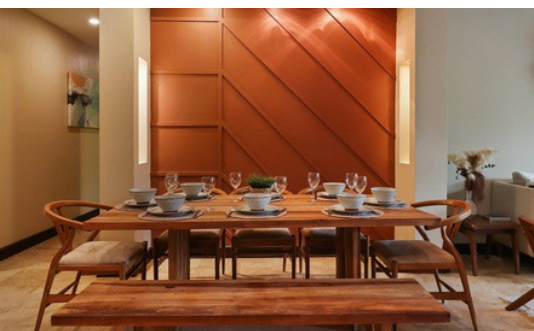

The interior is finished with marble flooring, warm wood details, and a well-appointed kitchen featuring granite countertops and quality wood cabinetry. The open-concept living and dining areas feel bright and inviting, with an easy connection between the main living spaces.

The primary suite is particularly impressive, offering a private retreat with a luxurious bathroom complete with a bathtub and double shower. Three additional bedrooms and two more full bathrooms provide plenty of room for family and guests.

One of the property's most appealing features is its sense of privacy. A semi-private garden and front yard create a peaceful outdoor setting surrounded by tropical greenery, giving the residence a more residential feel than a typical condominium.

The swimming pool is shared by only a small number of neighboring owners, allowing for a quiet and intimate atmosphere.

Located inside a secure gated community of Azul Paraiso and just minutes from the beaches, restaurants, shops, and services of Playa Ocotal and Playas del Coco, the property combines tranquility with convenient access to everything the area has to offer.
