

Pacifico Lot #118 Home

3 bed 3.5 bath Private Pool and Carport!!

Elegant and sophisticated one level home in the most desirable neighborhood in Playas Del Coco. This beautiful home has a spacious and very functional ranch style floor plan to allow for both relaxed living and fun entertaining. As soon as you enter, you feel the zen and tranquility of this property as you are surrounded by the lush green plants and trees, both outside and inside the home.

For Sale \$480,000 – Now fully furnished!

The huge, tree-lined backyard is expertly manicured and has a large private, classic shaped pool. Have a morning swim then pick a lemon off the lemon tree for your tea as you relax on the patio after. Or sit back at dusk under a panoramic sunset-filled sky enjoying a glass of wine then fire up the built in brick grill for the evening's dinner. And there is plenty more room to plant more fruit trees if you so desire, or a jungle gym for the kids!

The modern kitchen is bright and airy, offering a spacious area for cooking, baking and/or entertaining. The dining and living room areas are open, creating positive energy flow from room to room. Open the wide glass sliding doors to the patio creating an outdoor/indoor space to have the best of what Costa Rica living has to offer. Each bedroom has its own private, full bath, giving you and your guests the luxury of privacy and space.

This meticulously cared for home is affordable, luxury Costa Rica living at its finest. Pacifico is gated/guarded, in the middle of town to offer easy access to everything including restaurants, banks, shopping, the beach and the Pacifico Beach Club
